

2010-2011 Summer Reading List

Entering 4th grade

Every student entering the fourth grade will need to read at least 2 chapter books over the summer from 2 different authors. The list of books on this page is provided as a guide. All of the books are from various authors, genres, and on various reading levels. Other titles by the authors listed below are also acceptable.

Each student will need to read an average of 120 minutes per week and keep a reading log that includes your name, date, title of literature, author, and the type of literature (book, magazine, newspaper, etc.) Please keep your reading log in a notebook or folder and be sure to have a parent or guardian sign your reading log each time you read. When you run out of room, you may attach pieces of regular ruled paper. Reading logs will be collected during the first week of school and will be part of the first quarter reading grade.
