

Before School Tutoring Schedule
7:00 to 7:45 am
Wednesday mornings as noted below

** Most Wednesday mornings, as noted on the schedule (not all Wednesdays), three teachers will be available for before school tutoring sessions. This is a free service for our students. Please send your child to the one for his/her grade level. Please note: next to each date is the subject area that will be covered that morning. Please do not send a student for a subject not being covered. For younger students, please send a note letting the teacher know in what skill the student needs help.
