

SUMMER READING LIST ENTERING 3RD GRADE 2009-2010

Assignment

All students entering the 3rd grade must read a MINIMUM of 2 chapter books this summer. The list is just a suggestion for your reading. You may read books not listed, but make sure it is on your reading level.

For the 2 chapter books you read, use the enclosed forms for your book report. If you run out of room, just use notebook paper to complete your report.

For the rest of your assignment, you must read an average of 20 minutes a day. You may read a variety of materials, but you should remember that they must be on your level.

Use the enclosed form to keep track of what materials you read and for how long you read them. If you run out of room, you may use the back or a piece of notebook paper.

This assignment will count for a grade of 100 points. So start your third grade year off on a good foot!
